

"I've never seen a fellow hair lay in a comb like that," she said. "I had never seen him looking so good. Lil had twisted a wreath of flowers around his head, and I reached out from his face to his lips. I kissed him for the first time in a long time. For me to go away, I had to leave him in a pretty room. I saw Mandy's shabby little room, and I thought it was a straight black 'L'."

"I had better not go too far, Lil," she said. "I had better not go too far. Mandy will be sovereign with me."

gathering. All through the day crowds gathered around the scene of the discovery and the police gathered around the crowd which would go far towards clearing up the matter, as it no doubt is. Prof. Hunter came back to the city to-day and was met by a large crowd at the Sanbury Hotel. As a result of his investigations, several additional arrests of suspected parties have already been made.

Prof. Bell examined the animal and pronounced it good quality. Mr. Henderson is endeavoring to secure the animal. The mineral is worth about \$50 per ton. Mr. Henderson is making an examination for the extent of the deposit. **Facilities** for the deposit are being made.

From present appearance we are to have an early fall in this year—perhaps as compensation for the terrible winter of the past year. It is now cool enough for the end of September, the leaves of some kinds of trees are beginning to turn, and the ground has become hard. The weather has been very much improved, and blue plumes are ripe. A much milder time than the winter of the day is warm and pleasant, but the mornings and evenings are chilly and, unless there is a change in the weather, we will soon be needed for heating as well as cooling purposes.

Mechanical Institute.—Now that a decided move has been made towards making Stirling an industrial centre, why not get the required number of residents to make the Institute a success? No doubt the required number of residents will be secured. Since smaller places of less importance have been able to do so, why should Stirling not? The Institute will be a great benefit to the community, and it is well to be prepared for heating as well as cooling purposes.

close shortly after 10 o'clock. The mission of the Stirling branch of the Methodist Church on the 10th inst. was daily attended to and arrangements made for the annual financial effort in their behalf. The afternoon meeting was in the form of a convocation of Christian workers and laymen, introduced by Rev. J. C. Seymour. A. N. Moore, of Stirling, was the featured address, many having taken part in the discussion. The evening meeting was most interesting, one and a half hours of exercises, Rev. Mr. Hanks, of Hamilton, gave an excellent address on "The Improvement of Church Music." After some singing on the organ, Rev. J. H. Jones, of Stirling, spoke on "How to promote Revival." This was followed by a prayer by Rev. H. V. Mouton, and A. R. Johnson on "What more can be done in behalf of our young people." This address was well received, and was listened to by a large number of the congregation. The Rev. Mr. Lundy, of Stirling, is the pastor, and as chairman of the district, he presided at all the meetings referred to, and the good work done in the village is a credit to the visitors as to call forth a hearty vote of thanks at the close of the Thursday evening's meeting.

Springbrook.

Produce and Correspondence. The Springbrook Egg Company held their annual meeting on Sept. 1st. The business transacted was of a routine nature, but not very busy. The crops are all well and the village is in a very healthy condition. The annual meeting was held at the village hall, and was attended by a large number of the residents. The annual meeting of the 10th inst. school house on night last week which was well attended and quite a success. The proceeds being \$77.00 to be applied in repairs on the school house. The program consisted of music, readings and recitations. A recitation by Miss "Curtis" must not get lost.

Wellman's Corners. From Our Own Correspondent. Those surprisingly surprising **Surprise** boys went to Hamilton on the 24th inst. and played a match game with the "Maple Leaf" team of that village and succeeded in carrying off the ball by a victory of 84 scores. The Maple Leaf is a new club and this was their first effort. To their credit be it said that a first class team was served to the visiting team, as scraps as they were to participate of once this season.

Marmora B. C. challenged the **Surprise** team for a return match which was accepted when, it is believed, next mail brought an excuse and a place-excuse for this season. Why Marmora should not accept the challenge is not clear. The **Surprise** team is a very strong one, and it is believed that they will be able to carry off the ball by a victory of 84 scores. MILNE & CLUTE

Under and by virtue of the power of the Court, the following goods which will be produced at the sale of the **Stirling** branch of the Methodist Church on the 10th inst. was daily attended to and arrangements made for the annual financial effort in their behalf. The afternoon meeting was in the form of a convocation of Christian workers and laymen, introduced by Rev. J. C. Seymour. A. N. Moore, of Stirling, was the featured address, many having taken part in the discussion. The evening meeting was most interesting, one and a half hours of exercises, Rev. Mr. Hanks, of Hamilton, gave an excellent address on "The Improvement of Church Music." After some singing on the organ, Rev. J. H. Jones, of Stirling, spoke on "How to promote Revival." This was followed by a prayer by Rev. H. V. Mouton, and A. R. Johnson on "What more can be done in behalf of our young people." This address was well received, and was listened to by a large number of the congregation. The Rev. Mr. Lundy, of Stirling, is the pastor, and as chairman of the district, he presided at all the meetings referred to, and the good work done in the village is a credit to the visitors as to call forth a hearty vote of thanks at the close of the Thursday evening's meeting.
